

# Relocating? Try before you buy.

You're relocating to a new city, and you have questions about where to live. Which neighborhood? Where are the good schools? What community? Our innovative Lease with a Right to Purchase program is a great alternative to buying a home immediately for your relocation.

## Making Homeownership a Reality for More People

With our help, you can find a home in a community you want to live in and lease the property for up to 5 years (in most areas). You have the option of purchasing the home at any time during your residency. You have the right to purchase the home or the option of walking away without penalty at the end of your lease. Our program gives you the opportunity to realize the dream of owning your home.

The process is simple and transparent:
